Item made of highly selected calfskin, tanned using traditional methods for an elegant and transparent effect. The creases in the leather are typical and deliberately visible the colour may appear slightly blurred. Very natural and delicate, prone to scratches and abrasions  
The leather is not waterproofed. If it gets wet, dry immediately with a soft cloth, otherwise bulges or rings may appear. If it gets stained use a soft damp cloth and gently rub the surface. Clean with a soft, dry cloth  
Designer dustbag included  
Made in Italy
