STANDARD WITHDRAWAL INSTRUCTIONS

Right of withdrawal

You have the right to rescind the contract, without stating the reason, within 14 days. The withdrawal period expires after 14 days:

- a) in case of sale contract of one product only, from the day you or a third party, other than the carrier and designated by you, gains physical possession of the item(s); or
- b) in case of sale contract of multiple products, ordered together and delivered separately, from the day you or a third party, other than the carrier and designated by you, gains physical possession of the item(s); or
- c) in case of sale contract of a product consisting in multiple batches or items, from the day you or a third party, other than the carrier and designated by you, gains physical possession of the last batch or item.

In order to exercise the right of withdrawal you are bound to notify us (at the following address: Italiantouch s.r.l., Via Stendhal, 35, 20144 Milan, +39 02 +39 02 896233531, Fax +39 02 89623481, fay@store.italiantouch.com) of your decision to rescind the present contract with an explicit statement (for example a letter sent by post, fax or e-mail). For this purpose you might want to use the standard withdrawal form attached, but this is not compulsory. In order to abide by the withdrawal time limit you simply need to send us the withdrawal statement before the expiry of said withdrawal period.

Withdrawal consequences

If you rescind the present contract you will be refunded all payments you have made in our favour, including delivery expenses (except for additional costs resulting from your choice to opt for a delivery method other than our less expensive standard delivery method) without undue delay and, in any case, no later than 14 days of the date we will be informed of your decision to rescind the contract. Said refund will be carried out using the same payment method used for the initial transaction, unless otherwise requested by you; in any case you will not be requested to incur any costs as consequence of this refund. In case of withdrawal from a Multiple Order the delivery fees regarding this latter will not be refunded unless you are to rescind the entire Multiple Order contract.

Goods must be returned without undue delay using one of the following procedures, and in any event not later than 14 days from the day on which the decision to withdraw from the contract was notified. The deadline is met if the goods are sent back before the period of 14 days has expired.

Same country returns

If the returned goods are shipped from the same country to which the order was originally delivered, the customer can send back the goods via UPS using the pre-paid return shipping label enclosed with the shipment. To arrange a pick up, please contact UPS at the number provided in the table below depending on your country of delivery (the cost of the call is that of a national rate call from a fixed line, according to the rates applied by the major national phone operators. Maximum cost 3€/min.).
